

Cultural asset

Property investment Bucharest Romania with our real estate agency

Romania's historical and cultural asset is rich and spread all over the country: in cities and vil-lages, over the touristic itineraries.

The Romanian folklore is a witness of our country's natural beauties and eventful history and of the Romanian spirit.

All these are found in over 500 museums and his-torical establishments that are nacional monuments spread all over our country's territory.

This popular art can still be found in original, in villages from the Maramure_, Oa_, Bucovina and other Romanian historical regions.

The most important touristic areas like the Romanian seacoast at the Black Sea, the Danube Delta, Northern Moldavia, Oltenia, the Carpathian Mountains, Transylvania with its medieval cities, Bucharest, the capital of our country and many others offer differentforms of tourism.

Relaxation, watering treatments, walks through the mountains, meetings, bus circuits, sportive hunting and fishing, horse riding are just few of them.
