

Material base

Hotels, inns, places to stop for a while and even other facilities can easily be found in the towns and points situated on the main touristic itineraries.

Hotels with different numbers of stars are usually found in the cities, along with other kinds of hosting units. It is significant that the maintown of each district has at least one hotel.

Preurban ouristic zones have been built around the larger cities, where the natural conditions were favourable, allowing the inhabitants to spend their free rime or weekend in a pleasant way.

It is the ase of the capital, as well as other cities like imi_oara, Cluj-Napoca, Ia_i, Bra_ov, Craiova, Arad.
Real estate Bucharest

România has a total of 350000 accommodation places in hotels (classified by number of stars), inns, villas, cabanas, camping and we must not forget the gyms, the treatment units and the ones for relaxation.

These are spread all over the country, at the seacoast, in spas, at the mountain, on the important touristic itineraries. Any tourist can easily come to România using the services of LARand TAROM airlines.

After landing on one of the four internacional aiiportes: Bucharest-Otopeni, Timi_oara, Arad, Constanca -Mihail Kog Iniceanu, buses, taxis, cars for rent are assuring the easy travelling of the tourist in-side our country.

But of course, România can eas-ily reached by boat, travelling on the Danube or coming from the Black Sea. The tourists arrived here using a travel agency as well as the individuals who came for either relaxation, treatment or those who are just in transit can spend a quality time here excursions to the most beautiful places, amusing evenings, with an Oriental or Romanian trend, Romanian style marriages, gyms and sport fields; wine-tasting, even trips abroad (Istanbul, Chi_in u, Moscow, Cairo, Venice, Rome, Paris, London, Athens, Budapest) having as point of departure the seacoast and other resorts.

The tourists can also view theatre, opera and operetta performances, classical, pop or folk music concerts. Depending on some conditions (season or out-of-season, length of staying) the tourists can take advantage of some facilities concerning the customs, the price, the transport, a few more free days at the end of the trip and some others. In România, the touristic technical and material base is private property, mixt or property of the Romanian State. The State is always preoccupied in assuring the best services for all the tourists.
